KADUR DISTRICT.

Sale Notification dated 9th May 1895.

The Taluk Cutcherry and compound situated at Kadur.

The building is situated in the Kadur Fort, close to the Railway Station, and comprises an upper-storied building and four godowns, standing in compound of 1,623½ square yards, surrounded by a pakka wall, and is admirably suited for a native dwelling. The timber of the building alone is valued at Rs. 3,065.

2. The building and site will be sold by auction on the spot on June 15th at an upset price of Rs. 4,000 on the conditions that the building and site will be knocked down to the highest bidder above Rs. 4,000, subject to the confirmation of Government, and that possession will be delivered after the completion of the new building, up to which time no rent will be allowed.

3. The highest bidder should immediately after the close of the sale pay a deposit of twenty-five per cent of the purchase money and the balance of purchase money within three months of the date of sale; in default of which the site and building will be resold at the risk of the defaulter, who will have to make good the deficiency if any of the 2nd sale, but will have no claim to the excess, if any.

FRENCH ROCKS DIVISION.

[ADVERTISEMENT.

Notification dated 8th May 1895.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, French Rocks Division, up to 31st May 1895, for improving the Koppa Tank Registered No. 132, Nagamangala Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1896.

2. The plans, detailed estimate, and conditions may be seen at the Executive Engineer's office, at French Rocks between the hours of 11 A.M. to 4 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100, one hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for improving the Koppa Tank Registered No. 132, Nagamangala" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
